Our Infrastructure and Production

We have built the futuristic infrastructure to carry out efficient processes. All the modern technologies have been exercised to excel the quality and productivity.

We have three existing units in Nagpur and the production has been categorized proficiently in 3 parts:

- Navkar Processors deals in Tutti Frutti, Cherries, Jams & Peels.
- Nakoda Fruit products Pvt. Ltd. deals with a variety of papads, pickles, Chikkis (Fruit Bars), Spices etc.
- Parshva Food International deals with Canned Fruits & Vegetables, Mango & Guava Pulps, Frozen Peas, Frozen Vegetables, Dehydrated Vegetables etc.

While processing the products, we choose the finest quality by delivering the optimum hygienic conditions, brilliant packaging and perfect quality checks by expertise. At present our each unit has the production capacity of 8 to 10 MT. per day and we aspire to expand our production in the coming future.
